

# Is Broadband Important for your Business? Are you satisfied with what is available?

## Join us to discuss and provide input on your broadband business needs and vision for the future

- Could Fort Bragg be a place for “super-fast” broadband?
- Can we attract new business with our current broadband infrastructure?
- How can we form collaborative partnerships?
- How can fast broadband and improved broadband infrastructure be an economic development tool?

**Monday, June 20th 3:00 – 5:00 pm**

**Town Hall**

363 N. Main Street  
Fort Bragg, CA 95437

Sponsored by the EDFC and Broadband Alliance of Mendocino County

More information, directions, and agenda is available at:
